

HAILUN

C-30

HU 116

Quality—Service—Integrity

The HU 116 Institutional Studio Upright has been designed for all levels of students. The powerful bass is balanced with a singing, clear and colorful treble. The sturdy construction includes 5 back posts, double rubber cast-

ers, wet sand cast plate and the meniscus soundboard for climatic resistance. The middle pedal is bass sustain, and the fallboard and lid are equipped with locks. The fallboard is designed with a full length music desk.
